

Respected,

The "Angela" Foundation opens a competition for financing a design solution for assistive technology for people who cannot use the keyboard because it has reduced mobility or complete immobility of the fingers or upper limbs, which includes the absence of fingers, one or both hands, parts or all one or both hands, with the aim of improving the quality of life of a person.

1. The competition starts on April 14, 2021 and lasts for 12 days, ie until April 26, 2021.
2. The Commission for the Competition for financing the mentioned project solution will be formed.
3. Terms of the competition:
 - Preserved mental abilities to use assistive technologies, according to the manufacturer's specification
 - To be of school age, preferably the first four grades of primary school
 - That he cannot use the keyboard because he has reduced mobility or complete immobility of the fingers or upper limbs, which includes the absence of fingers, one or both hands, parts or the whole of one or both hands.
 - To have technical capabilities for the use of assistive technologies at home (computer and internet)
 - That she cannot use verbal communication or it is difficult
4. The competition covers the territory of Belgrade.
5. In order to protect personal data, the applicant for the competition may request a coded name.
6. The commission will come to the apartment of the user in order to define the project solution, certainly with the agreement with the family or the user.
7. The candidates will be informed about the results of the competition within 20 days from the closing date of the competition, based on the decision and the written proposal of the Competition Commission for financing the projected solution.

Applications for the Competition should be sent in free form to e-mail info@fondacijaandjela.org

In case of need, our phone number is +381 69 556 0315

In Belgrade, April 12, 2021
